## DEMOCRATS OF MAURY TO NAME CANDIDATES FOR HOUSE, SEPT. 25TH

TIME HONORED DELEGATED CONVENTION CALLED BY OVERWHELMING VOTE OF THE COUNTY COMMITTEE—ALL KNOWN WHITE DEMOCRATS WHO WILL SUPPORT THE NOMINEES MAY VOTE.

PRIMARY WILL BE HELD ON SEPT. 23, FOR THE PURPOSE OF ELECTING DELEGATES TO CONVENTION, CANDIDATES FOR DELEGATE QUALIFYING TEN DAYS BEFORE THAT DATE—DIRECT PRIMARY PLAN VOTED DOWN BY A VOTE OF ABOUT FOUR TO ONE—COUNTY DEMOCRATIC COMMITTEE TO BE SELECTED AT THE NOVEMBER ELECTION—SHORT AND HARMONIOUS SESSION OF THE COUNTY GOVERNING BODY HELD AND BUSINESS DISPATCHED VERY QUICKLY.

Democrats of Maury county will hold a delegated convention on Monday, September 25, for the purpose of nominating candidates for the house of representatives and to elect delegates to senatorial convention when called. The primary for the election of delegates to the convention will be held on the Saturday previous, that is September 23, between the hours of 1 o'clock and 4 o'clock p. m.

Candidates for delegates must notify the secretary of their candidacy not less than ten days before the primary. Tickets will be furnished by the secretary and will contain the names of all candidates. Officers of the election must be appointed and the list published not less than ten days before the primary.

The above in substance was the action of the county democratic committee at its meeting held at the court house this morning. However, the plan adopted was not adopted without a brief fight.

When the committee met, and all districts except the Fifth were found to be present, M. S. King, of the Ninth district, offered a resolution to nominate candidates for the legislature in a direct primary on the last Thursday of September. His resolution was seconded by Mr. Dedman, also of the Ninth district, and then Charles P.

Hatcher offered a resolution in lieu that a delegated convention be held. His resolution was adopted by a vote of 16 5-7 to 4 2-7.

The vote in detail to adopt the Hatcher delegated convention plan follows: Ayes, First district, two votes; second district, two votes; Third district, two votes; Fourth district, two votes; Fifth district, two votes; Sixth district, three votes; Seventh district, three votes; Eighth district, one vote; Tenth district, one vote; Ninth district, 1 5-7 votes. Total, 16 5-7.

Districts voting no, Ninth district, 4 2-7 votes.

Not voting, Fifth district, two votes.

The following is the resolution offered by Mr. Hatcher and adopted:

"Resolved, by the Democratic Executive Committee of Maury County:

"1. That for the purpose of nominating two representatives in the general assembly of Tennessee; and for the purpose of electing delegates to the senatorial convention of this district, a delegated convention of the democracy of Maury county is hereby called to convene at the court house in Columbia, on Monday, Sept. 25, 1916, at 10:00 o'clock a. m.

"2. That the delegates to said convention shall be elected in a democratic primary held at all of the voting places of said county on Saturday,

Sept. 23, 1916, between the hours of 1 o'clock p. m. and 4 o'clock p. m., and that in said primary all known white democrats, qualified voters, or who will be qualified voters at the November election, 1916, and who will agree to support the nominees of the convention hereby called, shall be entitled to vote. No poll tax or registration certificate shall be required.

"3. The officers of said primary shall consist of a receiver, a clerk and a judge, a majority of whom shall decide all questions of the eligibility of voters; said officers to be appointed by the members of this committee from the several districts and publication thereof made at least ten days before the primary in a newspaper of Columbia but no cost shall be incurred for such publication.

"4. Delegates to said convention shall be elected from the ten districts of the county according to the vote cast in 1912 for Wilson and Marshall, and each district shall elect one delegate for every fifty votes or fractional majority thereof cast in said election, the districts electing the following number of delegates: No's. 1, 2, 3, 4, 5 and 6 four delegates each; districts eight and ten two delegates each and district No. 7, six delegates and district No. 9 twelve delegates, making the whole number thereof forty-six.

"5. Any democrat, qualified to vote in said primary, shall be qualified to become a candidate therein for delegate, but the names of all candidates for delegate shall be filed with the secretary of this committee not less than ten days before the primary and the secretary shall cause to be printed ballots for each district, to contain the names of all qualified candidates for delegates therein and the voter shall indicate his choice by marking a cross mark (X) opposite the names of the delegates. However, should any voter indicate in this manner a choice of more names than said district is entitled to elect delegates, such vote shall not be counted. Immediately after the close of the polls the officers shall certify the result and transmit same to the secretary not later than 9:30 o'clock a. m., on the Monday following the primary. It shall be the duty of the secretary to see that the ballots herein provided, and in sufficient quantities, are properly distributed to every voting place in the county by the time for the opening of the polls."

It was moved and carried that when the primary for members of the new executive committee is called

## STOCK ORDINANCE NOW EXTENDED TO CORPORATION LINE

BILL PASSED ON FINAL READING BY BOARD OF MAYOR AND ALDERMEN.

## IT IS NOW WOODLAND AVENUE

President Sloan Of The Board Of Trade, Requests Investigation Of Approaches to the Louisville & Nashville Freight Depot.

The Board of Mayor and Aldermen met in adjourned session Friday night with all of the aldermen and officials present: Mayor Dedman, Aldermen Pigg, Chaffin, Akin, Cameron, Cherry and Forgey, Judge E. E. Erwin, Assistant Recorder W. P. Erwin, City Attorney B. C. Dedman and City Marshal McLean.

The business of the meeting was dispatched with rapidity and within one hour the motion for adjournment was in order.

The financial report was submitted and received, and the report of the equalization board was also received and adopted. This report showed an increase of several thousand dollars over former years.

The blind ditch from Eighth to High street, running through the property of Mrs. E. W. Carmack, was ordered taken up and a storm sewer put in to carry the water.

The traffic law was passed upon its second reading, with several amendments thereto. One of the most important amendments to the ordinance was the parking of cars. It will be against the law to park any car in front of any residence, place of business, or public place. This was deemed advisable by the board, as the owners of cars without any thought of the owners of property, park their cars in front of residences or places of business, making it difficult for the owners to get in and out of their homes, especially at night.

The ordinance extending the cow law to the corporate limits was passed on its third and final reading.

It is no longer Embargo street. The ordinance changing the name of this street to Woodland avenue was passed on its third reading, but it will be a long time before the old-timers get used to this new fangled name.

A pavement was ordered laid on the south side of West Seventh street from T. H. Grizzard's corner to Athenaeum street, and up Athenaeum street to Eighth and on to the High School building.

J. A. Sloan appeared before the board and asked the street committee to investigate the approaches of the streets to the L. & N. freight house. The Mayor requested the committee to take this matter up and see what could be done about the matter and report back to the next meeting, which will be next Friday night.

A motion was then made to adjourn until Friday night, August 18th.

## HAWKINS SAYS HE ACTUALLY GAINED THIRTY-ONE POUNDS

JOINTS WOULD CRAMP SO THAT HE COULD NOT RAISE HAND TO COMB HIS HAIR.

## THREE BOTTLES DOES WORK

Rheumatism Had Him Tight In Its Grip for Twelve Months—Was Racked From Head to Foot With Pain.

"I have actually gained thirty-one pounds on three bottles of Tanlac and I now feel like a new man in every way," was the remarkable statement made by J. T. Hawkins, living at 335 Johnson Place, Memphis.

"Rheumatism had me so tight in its grip for twelve months," continued Mr. Hawkins, "that I was just up and down, and down more than up, and I couldn't strike a lick of work. I was racked with pain from head to foot all the time and no kind of medicine I took inside, and nothing I rubbed on the outside, ever did me a particle of good until I got this Tanlac. My joints would cramp me so I could hardly raise my hands to comb my head or stoop enough to tie my shoes. I hurt so bad and was so nervous I couldn't sleep; it would pain me to turn over in bed, and no matter what position I would take I suffered torture. I got in such a bad shape I couldn't eat anything scarcely and I suffered with indigestion all the time. I dwindled away to one hundred and eight pounds and was nothing but skin and bones and was forced to spend most of my time in bed.

"I decided to give Tanlac a trial, and it's a positive fact, I've gone up in weight from a hundred and eight to a hundred and thirty-nine pounds—an actual gain of thirty-one pounds—and all the rheumatic pains have left me. My joints don't cramp me at all now and I can use my arms and bend about and work with as much ease as I ever could before I had rheumatism at all. I can eat anything I want and as much as I wish, and nothing hurts me in the least. I can work all day every day and when night comes I can sleep like a child. Yes, sir, I feel like a new person and I must look it, too, for my friends who haven't seen me since I took Tanlac actually don't know me when they meet up with me now. Tanlac has certainly been a great blessing to me and I'm a living monument of what it will do."

Tanlac is sold in Columbia, exclusively by SMISER DRUG CO.—(Adv.)
